Important: to avoid any damage that could be done by the transportation of your material, it is very important to note that IT IS STRICTLY FORBIDDEN TO USE THE FRONT DOORS OR THOSE LOCATED ON EACH SIDE OF THE MAIN HALL during the assembly or disassembly of your booth. Please use the designated doors located at the back of the building and exit by the docking area.

Assembly

Exhibitors must make sure they have foreseen all required handling and ordered the necessary services, according to their needs.

Please note that VOCA provides you with a team to assist you in unloading your vehicles, as well as to help you transport your merchandise directly to your booth.

If you wish to have help with your set-up, it is possible to obtain help upon reservation. Please contact Global D.EE to forecast necessary resources and costs.

Exhibitors who ship material directly to Centrexpo Cogeco Drummondville using the services of a carrier, must ensure the carrier will deliver the material directly to the stand if manual cart are inadequate for handling. In case lifting appliances would be required, it is mandatory to order a handling service from Global D.EE so the material may be delivered to the stand, note that there will be fees applicable. At all times, exhibitors and carriers must respect the regulations related to the exclusivity of handling. For more information contact Global D.EE.

All the material left at the docking area will be stored. Fees related to handling will be charged to the owner of the material unless an agreement is made between Centrexpo Cogeco Drummondville and the Promoter/Organizer.

Exhibition Service

Global D.EE exhibition service is mandated by VOCA for the rental of kiosks, furniture, or labor. To add furniture and accessories, please contact:

Disassembly

Given the large size of the tradeshow, it is essential that we work together to ensure that teardown takes place in an orderly, respectful manner.

The **VOCA team**, the **Centrexpo Cogeco Drummondville**, and **Global D.EE** collaborate to ensure the smooth running of the Fair teardown; we therefore request that you cooperate in a timely manner with the team members at the site.

- To respect your colleagues and retailers at the show, **it is prohibited to begin dismantling your booth before the official closing, which is scheduled for 4 p.m.*.**
- The floor covering must be completely removed **BEFORE** using trolleys.
- It is prohibited to take material out by the doors at the main entrance.

***Penalty of non-compliance :** \$500.00 penalty will be charged to exhibitors for the non-compliance of these rules. We thank you for your kind collaboration.

Handling and storage

Shipping and Receiving

The loading and unloading of merchandise, supplies, equipment, material, garbage or trash should only be done by using the doors, corridors and docks designated by the establishment.

Docking Area

Four loading and unloading docks are planned in order to reduce the time of assembly / disassembly. These docks are accessible behind the building.

For oversized material, two 16' X 18' doors have been planned and are accessible through Doors "C" (by Boulevard des Pins). Opening hours will be determined according to the events taking place in the building.

Depending on the events held in the building, it is possible that the doors accessible via doors "C" cannot be used. If necessary, you must check the possibilities of use with the Centrexpo Cogeco. The opening hours of the loading dock correspond to those of assembly and dismantling.

Transportation of internal merchandise

No transportation of merchandises will be tolerated during the opening hours of the exhibition.

Handling

Centrexpo Cogeco is the only one that can use forklifts or motorized lifting devices. To order a motorized forklift handling service, please contact Global D.EE: vtremblay@deeglobal.ca. Please note that fees will apply.

VOCA administration office

Tel. : 450-818-2454 | Fax : 450-965-8581 | www.vocamode.ca | info@vocamode.ca

If you wish to ensure the handling of your material yourself, manual carts will be available at the docking area (first-come, first-served). Each exhibitor is responsible to return the carts back to the loading dock after usage.

Storage

Once the assembly is completed, exhibitors wishing to store some material must identify it and place it in the area identified by the VOCA team. We will automatically dispose of non identified material.

The stored material will be returned to the exhibitor on a random basis according to the disassembly schedule planned by the organizer.

Identifying your material

- The name of the representative
- Contact information (if different from representative)
- The brand/collection and booth #

Empty boxes, bins and other containers must be piled up in a storage place specified by the people responsible for the exhibition. None of these containers will be tolerated beside, behind or inside the stands.

For safety purposes, only the Centrexpo Cogeco Drummondville employees have access to the storeroom.

RESTRICTIONS ET OBLIGATIONS

It is your responsibility to comply with the following conditions:

Common areas

Exhibitors must keep hallways, elevators, escalators, hall, lobby, directional signage, plasma screens, emergency exits, and all rooms at the Centre free from obstruction at all times.

The exhibitor's booth must not exceed 10 feet in height and the exhibitor must provide a structure with an exterior finish for any booth section exceeding 8 feet in height.

Custom booth

All visible exterior walls of the booth must have a structure with proper / clean finishing

Adhesive tape

The only adhesive tapes allowed at the Centre are the following:

Wall surfaces	Floor surfaces	Brick walls
3M wall mounting tabs, No. 7220	Tuck Tape 85 or Tuck Tape 99 Double-sided Echo Tape DC-W188F	3M wall mounting tabs, No. 7220

Penalty:

Fees to remove the adhesive tape will be invoiced to the exhibitors that do not comply with these specifications.

Insurances

Exhibitors must have their own "Liability" insurances. The Centrexpo Cogeco Drummondville is not responsible for injury or damage to products, booths, equipment, or decorations, caused by fire, water and theft within the rented premises or during transitions within the building, whatever the cause.

Fires

As a safety measure, the aisles must be left completely unobstructed. The Fire Department imposes this regulation, and we will be obliged to move any installation that goes beyond the exact limits of your stand. To prevent fire, tent-tops, curtains, and any other material used for the stand must be fireproof, meaning that they must have undergone a fireproofing process.

Children

For safety reasons, the presence of children at the loading ramp and in the exhibition hall is not recommended during the mounting and dismantling of stands.

Animals

Except for guide dogs on duty, no animals are allowed in the building or in the space rented without any prior written consent from Centrexpo Cogeco Drummondville, who may refuse access to animals at its sole discretion.

Cleaning and maintenance of the booths

We ask for everyone's cooperation to maintain the cleanliness of the premises. Please use the many equipment at its disposal for recycling (paper, cardboard, glass, plastic) and collection of residual materials both during assembly & dismantling and during the exhibition.

At the show, the bins must be placed in the aisle outside the booth every evening as soon as the exhibition closes. They will be emptied by the staff of the Centrexpo Cogeco de Drummondville free of charge. **The bins left inside the stand will not be emptied.**

The establishment will carry out at the request of the exhibitor and at the expense of the latter, the housekeeping of the booths. The establishment will invoice exhibitors who request housekeeping services for their booth directly by order form duly accepted. To order this service, call 819 477-5880 or write an email to info@centrexpocogeco.ca.

Security

Exhibitors agree that in no circumstances the establishment staff will assume the supervision of the material exhibited or any other goods the exhibitor, his staff or his agents may have left on the premises. The exhibitor will fully assume this responsibility, at all times and at his own expenses.

First aid

The establishment has a first-aid room on the premises. The promoter may use it, according to availability, during the days he will occupy the premises, as planned.

Exclusive services

Exhibitors agree to respect the rights granted to various persons or companies regarding certain services offered exclusively in the establishment.

The following services are provided exclusively by Centrexpo Cogeco Drummondville or its subcontractors, dealers and exclusive suppliers : food, coffee and snack services, bar services, general maintenance services, electrical services, stage rentals, hanging services, plumbing services, telephone and cabling services, Internet services, adjustments for the use of Centrexpo Cogeco Drummondville's integrated sound systems, services by motorized handling equipment(s) and the installation of banners or elements attached to the structure of the establishment.

Food services

On-site snack bar and coffee (exclusive service).

By contractual obligation with the exclusive caterer, any food or beverage to be consumed on the site must come from the contracted caterer or snack bar.

Alcoholic beverages

No alcohol may be distributed in the kiosks. As stipulated in the SAAQ permit, any alcoholic beverage consumed on the site must come strictly from Centrexpo Cogeco or the snack bar.
